Licence number		Date of training (from and to)

**Application for German instructor approval without AFF proficiency**

**Process:**

The training course needs to be registered with an authorised association in advance. Training and examination may only be carried out by instructor examiners (Prüfungsräte) who have been appointed by the authorised associations. An instructor approval without AFF proficiency in accordance with § 95a LuftPersV can only be registered on meeting the following requirements:

**Requirements:**

- Valid German Airman's licence for air sports equipment, parachute category
- Completed Qualification Certificate for an instructor candidate
- Participation in a canopy course recognised by the authorised associations
- Participation in an 8hr first-aid course within the last 24 months.
- Presentation of Skydiving CV (any format)
- At least 300 RAM-Air canopy descents in the last 60 months
- At least 50 RAM-Air canopy descents in the last 12 months
- At least 2hrs freefall
- At least 24 months in the sport since acquiring parachuting licence
- Evidence of German language skills
- Successful participation in a German instructor training course
- Successful participation in a German instructor examination
- Assurance declaration by applicant
- Examination and issuing fee

**Documents to be handed in to the authorised associations:**

	#	Issue of an instructor approval without AFF proficiency
